

**Modular, flexible
and contemporary**
Our venues offer the perfect
setting for your event

Whether you are planning a conference, trade fair, industry event or exhibition, our Science at Work concept provides the perfect backdrop at one of Berlin's most distinctive event locations: Germany's leading science and technology hub.

With around 2,500 m² of flexible event space, we can accommodate events of every size and format. Tailored supporting programmes, state-of-the-art event technology, and excellent transport connections complete the package, ensuring a seamless event experience from start to finish.

The WISTA Event Center offers 1,000 m² of exhibition space, a range of modular conference rooms, and a spacious 750 m² terrace. In addition, two distinctive venues within the listed Forum Adlershof and three contemporary event spaces at ST3AM Adlershof provide ideal settings for meetings, workshops and smaller-scale events.
